To whom it may concern,

I had the pleasure of working with Trevor Ross this past summer in Muskoka Ontario. He has always been eager to assist my company with his new ideas and willingness to work with current employees, teaching them new techniques as well as working very well with the clients.

Trevor is an intelligent and motivated individual. He is more than capable of managing small and large events. As part of his former responsibilities, Trevor has assisted in planning in detail for in home catering as well as a large island wedding we catered and organized in September 2016.

If you would like additional information about Trevor, please feel free to call me @ 647.406.8513

Sincerely,

Kelly Ballance
