To Whom It May Concern,

It is my pleasure to recommend Trevor Ross as a candidate for any catering needs you may have. His performance working as our Sous Chef for the Idlewyld Inn proves that he is a dedicated, talented and reliable Chef.

In January 2011 Trevor was called upon with short notice to coordinate and execute an important birthday event for the owners of the Idlewyld Inn. This event was a high end 8 course menu for 45 guests. Trevor had full creative control of the menu design, ingredients and ordering of product. As well he was responsible for scheduling effectively to complete the required prep work in the short amount of time given.

The event overall was a huge success. I attended the event personally and was impressed by each course. The clever pairing of food with wine, the presentation of each dish and the timing of the meal was impeccable. Everyone in the room raved about the food and service that evening.

Trevor is an asset to the Idlewyld Inn team and continuously proves his ability to deliver an exceptional level of cuisine for our guests.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,

Cheryl Annett
