To Whom It May Concern:

I am writing to recommend Mr. Trevor Ross who has worked as a Chef at my lake house in Muskoka, Ontario, Canada for the past two summers.

Trevor has proven himself as an out-of-the-box thinker when preparing and cooking items of all different food types for upwards of 30 people per meal. At the table is often a group of family, friends and business associates.

Food is always fresh, nutritious and delicious. Trevor's creativity and passion for developing new recipes is what sets him apart. Moreover, his accuracy in purchasing ensures satisfied diners with little to no waste.

Always from scratch, the repertoire of dishes ranges from classic American smoked barbecue to sushi buffets. The freezer is always stocked with handmade protein bars, and morning shakes are superb. Unless requested, menus are not repeated.

Trevor works well under pressure, accepts change in stride and provides very attentive service. Likewise, his good-natured demeanor makes him a pleasure to have in your home.

Please feel free to contact me for any further information that you may need.

Sincerely,

Jamie Salter
